

The diversity of the Zadar region provides fascinating experiences for cycling-lovers. The long and rugged coastline, an amazing archipelago, interesting and authentic hinterland with unique views such as Paklenica and the three river canyons, along with the moon-like surface of the magical island of Pag..., are just the highlights of what Zadar region has to offer!

Cycling in Zadar Region

48 MTB trails

Mountain bikers will enjoy the variety of terrain - from technically undemanding gravel road to the demanding parts with attractive descents. The routes pass beautiful natural sites, remote villages, viewpoints and islands available for daily routes from almost all major tourist centers.

24 TREKKING & FAMILY trails

Recreationists and families on trekking bikes have at their disposal beautiful and simple routes that mostly all range from major tourist centers and pass through attractive areas in its vicinity.

24 ROAD trails

Road cyclists can choose among different areas of interest - from completely flat areas suitable for basic training at the beginning of the season, through constant light and long climb, all the way to the short and steep parts. You can certainly reach the mileage you aim at as almost all routes go deep into the hinterland where the broad and non-traffic roads certainly make a difference a road cyclist will appreciate, whether an amateur or professional.

Find your route with downloadable GPS data and maps or download app with offline navigation!
